**Aha : Heartsaver First Aid CPR AED Instructor Manual** before purchasing it in order to gage whether or not it would be worth my time, and all praised Heartsaver First Aid CPR AED Instructor Manual:

0 of 0 people found the following review helpful. I was very happy to find a new instructor manual for such a ...By Kristi D.I was very happy to find a new instructor manual for such a good price. I did not want to pay the full \$50 for this manual as AHA has changed their standards and will soon issue new materials. Great purchase!0 of 0 people found the following review helpful. Four StarsBy TraTreGood book it was used for a college course for my son....overall he liked it....very informative!0 of 0 people found the following review helpful. It came in good condition and met my expectationsBy Anthony William SpackeThe book is used and I knew this before placing my order. It came in good condition and met my expectations.
