**M.N. Hegde : Hegde's PocketGuide to Communication Disorders** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hegde's PocketGuide to Communication Disorders:

We are proud to offer a brand new companion pocket guide to accompany the respected PocketGuide to Assessment in Speech-Language Pathology and PocketGuide to Treatment in Speech-Language Pathology. This new PocketGuide to

Communication Disorders summarizes available research and clinical information on disorders of communication, epidemiology and ethnocultural factors, symptomology, onset and development, etiological factors, and main theoretical concepts. Together with its companion pocket guides, a specialized dictionary of terms, clinical resource book, and textbook of assessment are combined in easy-to-access quick reference books. Clinicians and students agree that these are the most valuable resources you can include in your professional library.
