**Stephanie T. Weiss PhD : High-Yield Pharmacology (High-Yield Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised High-Yield Pharmacology (High-Yield Series):

2 of 2 people found the following review helpful. very good book to the USMLEBy crispylocalHigh Yield series are very good for the USMLE and this is a very nice concentrated book for the mechanisms of diseases and new (third edition=2009) for naming of different kinds of classes.Very rapid shipment and in a very good shape.And those features make the one of the best book sellers among others, and it is really 5+ stars.Thank you2 of 2 people found the following review helpful. An ok review bookBy ChristineI used this book during my pharmacology class during my 2nd year of med school. I found that it was not detailed enough for class, but it would be good for board review. Its

organized well, but I prefer BRS pharmacology to this book. 0 of 0 people found the following review helpful. Five Stars

Now in its Third Edition, High-Yield Pharmacology provides a succinct review of pharmacology while clarifying difficult concepts. Need-to-know information is presented in a clear, concise outline format. Additional features include updated drug references, a drug index, key points in bold, and tables summarizing key facts. Whether a student is reviewing for the end-of-year exams in pharmacology or brushing up for the USMLE, this book provides a quick overview of this challenging topic.
