HCP Pro Inc., Kate Borten CISSP CISM : HIPAA Handbook for Physicians (Sold in packs of 20) before purchasing it in order to gauge whether or not it would be worth my time, and all praised HIPAA Handbook for Physicians (Sold in packs of 20):

Package of 20 copies for \$99 These handbooks provide fundamental privacy and security training for new and

seasoned staff. They include scenarios that depict workplace practices specific to staff and settings. They are updated to include relevant information from the Omnibus Rule. A quiz helps ensure that staff understand what the law requires. HIPAA requires covered entities and business associates to train all workforce members with respect to privacy and security compliance. HIPAA is in the spotlight again because of The Modifications to the HIPAA Privacy, Security, Enforcement, and Breach Notification Rules under the Health Information Technology for Economic and Clinical Health Act and the Genetic Information Nondiscrimination Act (Omnibus Rule) published January 25, 2013 in the Federal Register. This update will help covered entities and business associates provide their workforce members the training that is a necessary component of HIPAA compliance. This is one in a series of updated HIPAA training handbooks for healthcare providers in a variety of positions and settings, including: - Nutrition, Environmental Services, and Volunteer staff - Executive, Administrative, and Corporate staff - Business Associates - Healthcare staff - Coders, Billers, and HIM staff - Behavioral Health Staff - Home Health staff - Long-Term Care staff - Registration and Front Office staff - Nursing and Clinical staff Need to train your entire team or organization?
