interested in first aid, pack packing, sports, etc. The book is dated in some of the newer First-Aid protocols for today but for using Homeopathy this is still the same. As a Nurse Practitioner I have used Homeopathy for the last 17 years and it is yet to disappoint me.0 of 0 people found the following review helpful. Great resource and used it many timesBy ElizabethI use this book and two others as my go to books when helping family and friends find a remedy. Great resource for beginners or advanced individuals interested in homeopathy.1 of 1 people found the following review helpful.
