**The Joint Commission : Hospital Accreditation Standards 2013 (HS13A)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hospital Accreditation Standards 2013 (HS13A):

Completely revamped for 2013, the Hospital Accreditation Standards is leaner, lighter, and fully updatable! To trim this resource for on-the-go accreditation prep, the "blue tab" chapters with accreditation policies and procedures, initiatives, and summaries are NOT included. Our best-selling accreditation resource now provides you with direct access to the latest elements of performance for hospital standards, National Patient Safety Goals, and Accreditation Participation Requirements (APRs). In response to customer requests, this annual publication now comes in a durable, lean binder that allows you to easily insert an update included in the purchase price. This portable book makes a perfect reference guide—handy in meetings, for orientation and training, and as a practical overview of The Joint Commission's hospital accreditation requirements for all your staff! Features: all hospital standards, National Patient Safety Goals, and APRs as of January 1, 2013; spring update with the most up-to-date standards and deemed status requirements; abridged version of the comprehensive manual - only "gold tab" scored standards chapters included; update includes highlighted revisions to help you easily identify new information; and durable, portable binder. If

you'd prefer an updatable manual, consider the 2013 Comprehensive Accreditation Manual for Ambulatory Care.
