**From Joint Commission Resources : Hospital Accreditation Standards** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hospital Accreditation Standards:

0 of 0 people found the following review helpful. Five Stars By Jeff M. Good price with quick shipping. 0 of 0 people found the following review helpful. Expensive book but very informative By Thistle Very informative book. Organized well. Better than a lot of them of this type.

Published annually, the accreditation standards books make a perfect reference guide—handy in meetings, for orientation and training, and as a practical overview of the Joint Commission's accreditation requirements for achieving the Gold Seal of Approval<sup>reg</sup>. The standards books provide key information your health care organization

needs to maintain continuous standards compliance and experience operational improvement.
