HCPro, Inc., Kenneth G. Simone : Hospitalist Case Studies: Tactics and Strategies for 10 Common Hurdles
before purchasing it in order to gage whether or not it would be worth my time, and all praised Hospitalist Case Studies: Tactics and Strategies for 10 Common Hurdles:

This book and CD-ROM set uses case studies to educate you on managing conflict and dealing with common problems you'll face while running a hospitalist program.

About the AuthorKenneth G. Simone, DO, is a board certified family physician in private family practice in Brewer,

ME, and a founding member and vice president of the largest primary care group practice in greater Bangor. He is founder and president of Hospitalist and Practice Solutions, which specializes in hospitalist program development, and has authored and co-authored two hospitalist books: *Hospitalist Case Studies: Tactics and Strategies for 10 Common Hurdles*, and *Tools and Strategies for an Effective Hospitalist Program*. Simone is the past president of the medical staff at St. Joseph Hospital, Bangor. He founded the oldest hospitalist program in Maine and served as its administrative director for 10 years. In addition, he has developed and rebuilt numerous hospitalist programs on a national level. He sits on the editorial advisory board for a national hospitalist publication, and is presently serving on the boards of the University of New England and the Medical Network of Maine. He earned his undergraduate degree from Boston College and graduated from New England College of Osteopathic Medicine.
