DonlanIt might be helpful to others, but I'm a single person and I couldn't find anything in it to help single people.0 of 0 people found the following review helpful. Recommend something easierBy jean reedToo much and too long

When you turn 65, or when you first become eligible for Medicare benefits, you may find the processes difficult to follow, confusing and complicated. Some people find it so perplexing that they may miss out on additional benefits and cost savings. How to navigate the Medicare Maze is a new concept and a step-by-step guide to Medicare which will show you how Medicare works, by breaking down the various parts of it in an easy-to-understand format. You will learn; **What Medicare parts A, B, C, and D are, collectively referred to as the "Alphabet Soup" of Medicare**; **What Medicare Supplement "Medigap" policies (A-N) are and what they cover**; **The differences between Medicare Advantage and Medigap plans**; **Why you should consider prescription drug coverage when it first becomes available, if your plan does not include one**; **How to qualify for Medicare benefits**; **When and how to apply for coverage**; **How to avoid any potential penalty situations**; **And a lot more**... At the end of each chapter there is a step-by-step action plan which answers any questions which crop up during reading, giving you a complete understanding of everything connected to Medicare. The choices and decisions we face over Medicare can be overwhelming at times. How to Navigate the Medicare Maze will simplify those choices and help guide you through the process by helping you to make informed Medicare decisions, based on your budget and health care needs.

About the AuthorMichael J. Kench was born in Lansing, Michigan and now lives in Orange, California. He is a U.S. #1 Best Selling Author, Speaker and Retirement Planning Specialist. Michael served for a time in the US Navy and attended California Coast University, where he attained a BA Business Management and went on to work for 20 years as a Licensed Financial Health Advisor. In addition to that he has taught and assisted thousands of clients with their health and financial planning needs and is of the firm opinion that everyone needs a financial health plan to win in life. His interest in helping others to ensure that they are financially stable led Michael to CO-Author his first book - Asset Protection Wealth Preservation and since then he has written a second book ndash; Medicare Maze ndash; which is a "must read" for anyone who is eligible for the scheme. Michael is a keen sports enthusiast and loves to relax by watching all kinds of sports, including baseball, basketball, football, hockey and soccer. He also enjoys traveling, music, fitness, swimming, snow skiing and is a tournament poker player. He lives by the motto, "You were born to win, but to be a winner you must plan to win, prepare to win and expect to win." You can contact Michael J.
