Courtney Price, Alys Novak : HR Policies Procedures Manual for Medical Practices with CDROM before purchasing it in order to gage whether or not it would be worth my time, and all praised HR Policies Procedures Manual for Medical Practices with CDROM:

Human resource issues in the medical practice setting have a reputation for being more complex than the mainstream; thus, the need for specialized information has never been greater. The fourth edition of MGMA s popular best seller, HR Policies Procedures Manual, is easy-to-use and complete with customizable HR policies and procedures designed exclusively for medical practice administrators and managers. From employment laws and hiring practices to managing performance, enforcing discipline and ensuring patient satisfaction and safety, every practice needs well-defined and painless-to-implement HR policies and procedures. It s simple when you use this reference tool. Covering

the most pressing events, this manual helps practice administrators and managers set procedures and policies for managing staff and allocating resources and also provides tips on developing an employee handbook.
