HCPPro, Inc., Robert S. Gold MD : ICD-10 Mail for Physicians before purchasing it in order to gauge whether or not it would be worth my time, and all praised ICD-10 Mail for Physicians:

Brought to you by JustCoding Stay current, Keep learning, Advance your career Begin preparing physicians now for increased documentation needs under ICD-10 ICD-10 Mail for Physicians, developed by Dr. Robert S. Gold, is a CD-ROM with 52 e-mail messages for a year of documentation guidance tailored to physician needs. Perfect for your physician documentation education programs as you kick off your ICD-10 preparation, this resource is written by a

physician for physicians. It also includes a PowerPoint presentation that provides an overview of ICD-10, highlighting the main guidelines and documentation strategies physicians need to know. When it's tough to get physicians' attention in a lunch-and-learn, and lengthy memos go unread, these quick and easy e-mail messages can deliver your training points in a program that saves time for you and your medical staff! Your order for ICD-10 Mail for Physicians will ship in November 2011. ICD-10 Mail for Physicians is also available as part of The ICD 10 Training Toolkit (pkICD10TT) (Jenn, please link this to the toolkit page) * 52 email messages for a year of information tailored to physician needs, emphasizing documentation guidance under ICD-10; these e-mail tips are a quick and easy way to distribute succinct yet important information. * The PowerPoint presentation provides a solid overview of ICD-10 and documentation strategies for your physicians. Customize the presentation with your own talking points, or use it out-of-the-box to kick off your ICD-10 preparation program. * Instructional booklet covers how CD is organized and instructions on how to use the program. Audience: ICD-10 Mail for Physicians is the perfect resource for CDI Specialists, Coding and Billing Managers, ICD-10 Coordinators, Physician Advisors, Case Managers and HIM Directors to educate physicians on the impact of ICD-10 in both the inpatient and outpatient setting.

About the Author Robert S. Gold, MD is the author of ICD-10 Mail for Physicians. Dr. Gold has more than 40 years of experience as a physician, medical director, and consultant. He is known nationally for his education presentations about physician documentation and the clinical orientation of coding. Dr. Gold is a cofounder of DCBA, Inc., an Atlanta consulting company that provides physician-to-physician educational programs in clinical documentation improvement and the development of CDI Specialists to support the needs of medical staff and coder education.
