Five StarsBy C. HenessFast shipping and product as described.0 of 0 people found the following review helpful. The product contains incomplete information.By CaliforniaBuyerThis product really needs some improvement. Look at the price of the product. I am really frustrated that it does not also include the definitions of root operations in other sections. Why does the product only contain definitions of root operations in MS section? What about the root operations in the other sections? Come on, Optum.
