**Optum360 : ICD-10-PCS Draft - 2015** before purchasing it in order to gauge whether or not it would be worth my time, and all praised ICD-10-PCS Draft - 2015:

0 of 0 people found the following review helpful. Four Stars By Sheila Baker Would have been even better if it came with a disc for the computer. 0 of 0 people found the following review helpful. Five Stars By C. Heness Fast shipping and product as described. 0 of 0 people found the following review helpful. The product contains incomplete information. By California Buyer This product really needs some improvement. Look at the price of the product. I am really frustrated that it does not also include the definitions of root operations in other sections. Why does the product only contain definitions of root operations in MS section? What about the root operations in the other sections? Come on, Optum.

New 2016 editions will be available mid-September 2015. The 2015 (Draft) ICD-10-PCS Expert with our hallmark features and format including the Medicare Code Edits (MCE) for the new ICD-10 MS-DRG reimbursement system contains the latest official government version of the ICD-10-PCS code set, plus the familiar Optum coding and reimbursement alerts you have come to rely upon in your ICD-9-CM code books.
