**Optuminsight : ICD-10-PCS: The Complete Official Draft Code Set 2014 Draft** before purchasing it in order to gauge whether or not it would be worth my time, and all praised ICD-10-PCS: The Complete Official Draft Code Set 2014 Draft:

3 of 3 people found the following review helpful. excellentBy L. BelascoHaving to learn a whole new system is exhausting, and all the hospitals and companies we work for are having us all do a ton of prep work to learn the system before it finally goes into effect. The training is fine, but we need books to get it all into our heads.2 of 2 people found the following review helpful. New to Coding/HIT StudentBy C.D. FraleyI am taking my first coding class this semester, and this book is really nice. Its colorful and makes building the codes easy. I am new coding, so I am glad to be using something that is well organized, and is of great use in conjunction with the 2014 ICD-10-PCS: applied approach textbook.0 of 0 people found the following review helpful. amazing book for usedBy CarrieI order this book for school. it worked perfect and was good price. I really liked that I was able to find the book cheap instead of buying it brand new because the book used was in great condition. There was no pages missing and no writing to make the book hard to read.

Now with Medicare Code Edits (MCE) for the new ICD-10 MS-DRG reimbursement system the 2014 ICD-10-PCS: The Complete Official Draft Code Set makes facing the challenge of learning a new code set easier.
