Ingenix : ICD-9-CM 2012 Expert for Physicians (ICD-9-CM Expert for Physicians, Vol. 1 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised ICD-9-CM 2012 Expert for Physicians (ICD-9-CM Expert for Physicians, Vol. 1 2):

0 of 0 people found the following review helpful. condition listed as good, but was not.By Cassy TeeNeeded the book, but the condition it was in should not have been sold. Writing everywhere, on just about every page. Other than that, all pages accounted for.0 of 0 people found the following review helpful. Five StarsBy Regina EhrlichI buy these for co-works they need and love them helps with their jobs.0 of 0 people found the following review helpful. Was just what I needed when I needed itBy Hand Quiltin GrammyI needed an ICD-9 book for doing my homework and since I knew I had to buy all new books next year I thought I would go with a used book this year. The book was in great shape. Hardly a mark on it. And the shipping was super fast.

Now enhanced with a new, bolder font to improve readability, the Ingenix ICD-9-CM Expert for Physicians continues to provide accurate and comprehensive coverage for diagnosis coding and reimbursement. Loaded with innovative features and content to address regulatory changes and coding challenges, Ingenix experts study industry changes and trends while seeking feedback from coding professionals to ensure your code book provides accurate and up-to-date information in an easy-to-use, intuitive format.
