Jean Mooney BSc(Hons) MA PhD CertEd(FHE) FHEADpodM Adv Dip Biomech FChS FCPodS FCpodMed :
Illustrated Dictionary of Podiatry and Foot Science, 1e before purchasing it in order to gage whether or not it
would be worth my time, and all praised Illustrated Dictionary of Podiatry and Foot Science, 1e:

More than just a collection of simple definitions, the Illustrated Dictionary of Podiatry is a pocket-reference guide for students and practitioners which covers anatomy, pathology, systemic disease, clinical diagnostic tests, treatment and management of foot problems and much more. Along with its handy size, a cross-referencing system helps make the

Dictionary as user friendly as possible and draws the content together, while the many tips, tables, line drawings and photographs (including a colour section) expand on entries and summarize information on essential points. The Illustrated Dictionary of Podiatry is an essential tool that all podiatrists and student podiatrists will want to have to hand during practice and study. Over 150 illustrations including colour plates. Cross referencing for ease of use. Includes tables, charts and clinical tips to enhance understanding. Essential areas covered including: Anatomy, Aetiology, Pathology, Systemic disease, Clinical diagnostic tests, Treatment and management.
