Jesse Burks DPM MS FACFAS : Implants in Foot and Ankle Surgery (Clinics in Podiatric Medicine and Surgery, Vol. 23, No. 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Implants in Foot and Ankle Surgery (Clinics in Podiatric Medicine and Surgery, Vol. 23, No. 4):

Despite significant advances, implants in podiatric reconstruction remains a controversial topic among surgeons. Several factors can contribute to the success or failure of a surgical procedure. This edition of *Clinics in Podiatric Medicine and Surgery* highlights both the strengths and weaknesses of implants in the foot and ankle. Dr. Jesse Burks is a Fellow of the American College of Foot and Ankle Surgeons, and is board-certified in foot and ankle surgery. Dr. Burks practices in Little Rock, Arkansas.
