**The National Cancer Institute, The Lance Armstrong Foundation, Institute of Medicine : Implementing Cancer Survivorship Care Planning: Workshop Summary** before purchasing it in order to gage whether or not it would be worth my time, and all praised Implementing Cancer Survivorship Care Planning: Workshop Summary:

One of the key recommendations of the joint IOM and NRC book, *From Cancer Patient to Cancer Survivor: Lost in Transition*, is that patients completing their primary treatment for cancer be given a summary of their treatment and a comprehensive plan for follow-up. This book answers practical questions about how this "Survivorship Care Plan," including what exactly it should contain, who will be responsible for creating and discussing it, implementation strategies, and anticipated barriers and challenges.
