**G E Alan Dever PhD MD, Alan Dever, Dever : Improving Outcomes in Public Health Practice: Strategy and Methods** before purchasing it in order to gage whether or not it would be worth my time, and all praised Improving Outcomes in Public Health Practice: Strategy and Methods:

With this text, students learn how to explicitly apply the quantitative, analytical methods of quality measurement and improvement to the public health setting. Truly "hands on" this practical textbook provides the public health student with the basic analytical skills essential for implementing a CQI program.
