Assessing Managed Care Penetration in Your Market (HFMA Healthcare Financial Management):

Indexing Managed Care: Benchmarking Strategies for Assessing Managed Care Penetration in Your Market is an important new resource that shows the healthcare administrator and physician what managed care can do for them and how to embrace it. Written by leading healthcare consultant Dennis J. Patterson **Indexing Managed Care** is designed to aid the healthcare administrator in assessing their current status in the world of managed care, how to interpret their current marketplace data, understand the shifting of managed care, and how to apply a successful strategy towards the future.

From the Back Cover This book will show you the ins and outs of managed care and what it can do for you. A timely, dynamic and practical book, **Indexing Managed Care** goes beyond merely tracking HMO penetration rates; it examines the aggregate forces at work in a dynamic, emerging managed care market.
