From Amer Dietetic Assn : Infant Feedings: Guidelines For Preparation Of Formula And Breastmilk In Health Care Facilities before purchasing it in order to gage whether or not it would be worth my time, and all praised Infant Feedings: Guidelines For Preparation Of Formula And Breastmilk In Health Care Facilities:

This newly revised and expanded version of the Guidelines for Preparation of Infant Formula now includes specific guidelines for the preparation, storage and bedside handling of infant formula, as well as expressed breast milk in health care facilities. All hospitals with NICUs or pediatric units, nurses, dietitians, pharmacists or any staff

responsible for infant feedings will find this an indispensable resource.
