**Daniel Farb : Infection Control in Healthcare Facilities: A Concise Compliance Guide for Healthcare Staff and Management [AUDIOBOOK] [CD] (End of Life Care Issues)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Infection Control in Healthcare Facilities: A Concise Compliance Guide for Healthcare Staff and Management [AUDIOBOOK] [CD] (End of Life Care Issues):

Infection Control in Healthcare Facilities is perfect for clinical staff in a healthcare facility. Upon the completion of this manual, readers will be able to list JCAHO standards and requirements for infection control, illustrate JCAHO's primary focus areas of surveillance, prevention, and control, describe personnel issues in infection control, demonstrate detailed prevention procedures, summarize the hierarchy of decontamination, and describe emergency management concerns. Those readers who wish to have an accompanying program with video and interactivity should also purchase the CD version.

About the AuthorM. DANIEL FARB, M.D., CEO of UniversityOfHealthCare and UniversityOfBusiness, is a leader in the field of interactive management and healthcare e-learning. He received a BA in English Literature from Yale (where he set an academic record and studied with writers like Robert Penn Warren), an M.D. from Boston University,

a degree in Executive Management from the Anderson School of Business at UCLA, and is currently working on a degree at UCLA in International Trade. He is a practicing ophthalmologist. He also has received two patents in ophthalmology and is working on others, has worked with the World Health Organization in Geneva and the National Institutes of Health in Washington, D.C. He has written scientific and popular articles, and has worked as a newspaper reporter. He helped Dr. Robbins edit one of the editions of Robbins' "Pathology" textbook for readability. He wrote an article on humor for the Massachusetts . He has experience in theater and television, including acting, directing, and stage-managing. He has programmed his own patient records database. He has written and edited hundreds of e-learning courses, CDs, and books. Dr. Farb is a member of the American Academy of Ophthalmology, the Union of American Physicians and Dentists, the AOJS, the American Association of Physicians and Surgeons, the American Society for Training and Development (ASTD), the E-Learning Forum, the Southern California Biomedical Council, the PDA (Parenteral Drug Association), and the Medical Marketing Association. BRUCE GORDON is the Creative Director for UniversityOfHealthCare. After receiving a BA in Economics from UCLA, he began a freelance writing career that included technical writing (such as a manual for Princess Cruise Lines), stand-up comedy routines for nationally known comedians, and screenplay writing. He has done production support work with famous Hollywood personalities on such well-known productions as Aaron Spelling's "Dynasty" and "Love Boat" TV shows. An audio-visual software specialist, he is a versatile artist, with published works in a variety of media, including music, motion graphics, and digital video short film.
