**Tom Christoffel, Susan Gallagher : Injury Prevention And Public Health: Practical Knowledge, Skills, And Strategies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Injury Prevention And Public Health: Practical Knowledge, Skills, And Strategies:

Injury Prevention and Public Health: Practical Knowledge, Skills, and Strategies, Second Edition presents the complex nature of injuries and violence but provides this information in a highly comprehensible manner. The authors' devotion to advocacy for the prevention of injuries, both unintentional and intentional, makes this title an essential read for both public health students and public health professionals.
