Stephen S. Mick : Innovations in Health Care Delivery: Insights for Organization Theory (Jossey Bass/Aha Press Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Innovations in Health Care Delivery: Insights for Organization Theory (Jossey Bass/Aha Press Series):

Provides new approaches to the study of health care organizations and, by extension, organizations generally. Presents the insights of top organizational thinkers in health care on a variety of important theoretical issues.

From the Inside FlapProvides new approaches to the study of health care organizations and, by extension, organizations generally. Presents the insights of top organizational thinkers in health care on a variety of important theoretical issues.From the Back CoverThrough the insights of top organizational thinkers in health care, Innovations in Health Care Delivery provides new approaches to the study of health care organizations and, by extension, organizations in general.
