**Erie Chapman : Inside Radical Loving Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside Radical Loving Care:

0 of 0 people found the following review helpful. Best Book in its ClassBy Westwood Village ReviewsAlong with the companion book, Radical Loving Care, this is by far the best book in its class. It is reported that hundreds of hospitals and thousands of caregivers are now using it. When I read it I could see why.1 of 1 people found the following review

helpful. Fantastic Visionary!!By Teresa WebbI'm a corporate consultant working for culture change inside America's hospital systems and I give this book a perfect score. Chapman gives us an accessible tool in navigating the most important issues in caregiving today. This book is visionary. It brilliantly explains best practices in today's caregiving arena.. The Healing Hospital System that Chapman founded is based on these principles, and they are strong medicine to an ailing healthcare system. If it was up to me "Inside Radical Loving Care" would be required reading for every person working in healthcare!.

Inside Radical Loving Care distills the essence of Erie Chapman's three previous books into a single slender volume. It equips caregivers with stories of powerful examples and all the tools they need to live Love, not fear, every day and night. Execute the ideas in this book and your life and your work culture will change for the better. As a result, every patient's care will improve.
