I have a lot of his books and this is definitely one of my favorites. I bought a "used" version and it's in perfect shape. No rips, book marks, nothing. I've read this before and wanted to read it again and add to my collection. So glad I found it here!0 of 0 people found the following review helpful. Five StarsBy MaggieOne of my favorite King books because of the two main characters.0 of 0 people found the following review helpful. Five StarsBy George BushClassic novel.
