Ingenix : Insurance Directory #8213; 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Insurance Directory #8213; 2013:

Many insurance companies have changed their addresses, phone or fax numbers, or websites in the past year. OptumInsight verifies the accuracy of the Insurance Directory by calling each insurance company listed to provide you with the information you need to process claims with confidence.
