TRUST ME0 of 0 people found the following review helpful. RetractionBy ClayThe product I ordered did not include an access code for internet software. However, it was not the fault of the seller. Somehow the cellophane wrap had come off and the code obviously fell out of the book. The speed of sevice and the condition of the book inself was

Integrated Electronic Health Records: An Online Course and Worktext for Greenway Medical Technologies' PrimeSUITE. Developed as a comprehensive learning resource, this hands-on course is offered through McGraw-Hills Connect Plus. Connect Plus uses the latest technology and adaptive learning techniques to better connect professors to their students, and students to the information and customized resources they need to master a subject. It includes a variety of digital learning tools that enable professors to easily customize courses and allow students to learn and master content and succeed in the course. Here's what you can expect from the Worktext: -A book meant to complement the online Connect Plus course, written by an author with an extensive HIM/HIT background Beth Shanholtzer, MAEd, RHIA. -Coverage of Greenway Medical Technologies PrimeSUITE, an ONC-ATCB-Certified, fully-integrated, online EHR, PM and interoperability solution. The book is not meant to be an extensive user manual for PrimeSUITE, but rather it covers the key topics for EHR, with PrimeSUITE as the vehicle to demonstrate those topics. Attention is paid to providing the why behind each task so that the reader can accumulate transferable skills. - Content that will be appealing to HIM programs, HIT programs, MIBC programs and more. All exercises are designated with PM, EHR, HIM tags, or some combination of those three. Instructors can access a correlation of the Worktexts Learning Outcomes to the key accrediting bodies such as CAHIIM, ABHES and CAAHEP via the book's website, www.mhhe.com/greenway.

About the Author M. Beth Shanholtzer, MAEd, RHIA: Beth Shanholtzer has been in the HIM field for over 30 years. Her experience has included HIM department management positions within hospitals in New Jersey, Pennsylvania, West Virginia and Maryland. Seventeen years ago she moved to the academics, holding positions as program director/chair and instructor of associate degree programs in the for-profit arena. Most recently, she has been teaching at the community college level, currently with Blue Ridge Community and Technical College in West Virginia, Lord Fairfax Community College in Virginia, and Carroll County Community College in Maryland.
