American Academy of Orthopaedic Surgeons : Intermediate: Emergency Care And Transportation of the Sick And Injured, Student Review Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Intermediate: Emergency Care And Transportation of the Sick And Injured, Student Review Manual:

0 of 2 people found the following review helpful. Covered the subjects needed.By HanzCovered the subjects needed. purchased this for my Daughter in which it was needed for her schooling. Seems like it worked well, she did pass all her courses.

Designed to prepare students to sit for exams by including the same type of multiple choice questions that they are likely to see on classroom and national examinations, the Intermediate: Emergency Care and Transportation of the Sick and Injured Student Review Manual covers both the 1985 and 1999 curriculums. The Student Review Manual contains multiple-choice question exams with an answer key and page references to Intermediate.
