World Health Organization : International Health Regulations (2005) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Health Regulations (2005):

This third edition contains the text of the IHR (2005), the text of World Health Assembly resolution WHA58.3, the revised amended version of Annex 7 (concerning period of effectiveness of vaccination against yellow fever, and validity of related certificates) that will enter into force on 11 July 2016, the Health Part of the Aircraft General Declaration that entered into force on 15 July 2007, appendices containing an updated list of States Parties and State Party reservations and other communications in connection with the IHR (2005).

About the AuthorWorld Health Organization is a Specialized Agency of the United Nations, charged to act as the world's directing and coordinating authority on questions of human health. It is responsible for providing leadership on global health matters, shaping the health research agenda, setting norms and standards, articulating evidence-based policy options, providing technical support to countries, and monitoring and assessing health trends.
