From World Scientific Publishing Company : International Seminar on Nuclear War and Planetary Emergencies - 34th Session (Science and Culture: Nuclear Strategy and Peace Technology) before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Seminar on Nuclear War and

Planetary Emergencies - 34th Session (Science and Culture: Nuclear Strategy and Peace Technology):

Since its inception in 1981, the Erice Seminars from which this book series originates have attracted the attention of world leaders in science, technology and culture. This latest volume in the series covers a wide range of topics — from energy studies and research to disarmament and cultural emergencies. In addition to the main topics, the book also includes an associated workshop program (the 33rd Session) focusing on cultural emergencies, specifically designing and building in resilience against chemical, biological and radiological attacks.
