Michael F. Myers : Intimate Relationships in Medical School: How to Make Them Work (Surviving Medical School Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Intimate Relationships in Medical School: How to Make Them Work (Surviving Medical School Series):

Intimate Relationships in Medical School is for anyone studying the medical sciences who is married or in a committed relationship. Michael Myers-an experienced psychiatrist and clinician- uses several case examples throughout the book which are composites from his practice. Through these and the authors suggestions and insights, the busy, committed medical student and his or her partner will increase their ability to confront and resolve misunderstandings.
