DecentBy HamzaBook has too much information, it goes over the top with some subjects. If you are reading just to learn it, then thats fine. But if you are reading it for class, it give you more information than is needed.0 of 0 people found the following review helpful. great shape and cheapBy Beth DeHoffI found this book incredibly inexpensive and to arrive in great shape. It took several days to arrive, but it was worth advance ordering to get such a good deal.
