I gave it a 5 because I don't have any issues so far. (I did not check the CD yet). The shipment packaging is great as well, so kudos for that. Also, it arrived on time. Great purchased!0 of 0 people found the following review helpful. Five StarsBy zipGood1 of 1 people found the following review helpful. Book is a bookBy KatieKTypical textbook. Found it to be easy and clear to read. Go figure the author of the book works at my school

Perfect for all learning styles! Take a unique, multimedia approach to understanding the world of health care—from the office to clinical settings. Learn what it means to work as a team and communicate effectively. Then examine the basics of the human body, how to assess patients, the legal and ethical aspects of health care, and how to successfully land your first job as a healthcare professional. A visually rich text, a wealth of interactive exercises on the BONUS CD-ROM, and 320 full-color, printable flash cards and activities online at DavisPlus make learning fun and easy wherever you go!
