**BROWN MARY : Introduction to Healthcare Delivery** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Introduction to Healthcare Delivery:

1 of 1 people found the following review helpful. Only purchases for a College Course By Angela I would never have purchased or read this book if it had not been required for a college course. I doubt I will use this book for any references later down the road. I found it repetitive and just plain boring. It offered little to no tables, graphs, charts or images to enhance the learning experience. 0 of 0 people found the following review helpful. Five Stars By denise Very good 0 of 0 people found the following review helpful. Decent information given, but poorly written and clunky sentences ... By Kelsey Decent information given, but poorly written and clunky sentences and definitions make this more difficult to understand than it should be.
