Karonne Becklin ME.d CMA, Edith Sunnarborg : Introduction to Medical Office Transcription before purchasing it in order to gauge whether or not it would be worth my time, and all praised Introduction to Medical Office Transcription:

0 of 0 people found the following review helpful. TranscriptionBy kayla belkenHas all the information needed to complete this course. The book does have some writing in it on certain pages through out the chapters. Some helpful some not.0 of 0 people found the following review helpful. Five StarsBy joanne lauverly good!0 of 0 people found the following review helpful. Five StarsBy Sylvania DavisGood deal!

Medical Office Transcription, 3rd Edition, provides an introduction into teaching medical transcription. The text/workbook reviews anatomy, medical terminology, symptoms and disease conditions, and grammar as it relates to the field of medical transcription. The one-semester text can be used independently, self-paced, or in a traditional

classroom.
