The only drawback is that the answers are only available online instead of at the end of the chapters. 0 of 0 people found the following review helpful. Five Stars By Erika Micik Workbook was in excellent condition! 0 of 0 people found the following review helpful. Five Stars By robert hobley Great book

Introduction to Sectional Anatomy Workbook and Board Review Guide helps you better understand the principles of sectional anatomy. When used in conjunction with its corresponding text, this workbook reinforces key concepts covered in Introduction to Sectional Anatomy and contains a variety of exercises and tools that make it easy for you to remember essential information and build critical-thinking skills. This resource is also designed to thoroughly prepare you for the CT and MR registry examinations.
