0 of 0 people found the following review helpful. Needs more photographsBy MelissaThis has some helpful information but not nearly enough pictures. It is nearly impossible to truly understand the author's descriptions of the eyes without photographs. A lymphatic rosary is a series of white spots near the outer rim of the iris but there is no photo of this, yet a white in the Iris is supposed to mean something else. Very confusing.0 of 0 people found the following review helpful. A helpful book.By RobertoThis one is very helpful and educational. As a mother, I wanted to learn more about the parts of the body and learn something more about it specially the eyes. Eyes are very important and I will share everything that I have learned from this book with my daughter.0 of 0 people found the following review helpful.
