**George M. Gluck, Warren M. Morganstein : Jong's Community Dental Health, 5e (Community Dental Health ( Jong's))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jong's Community Dental Health, 5e (Community Dental Health ( Jong's)):

0 of 0 people found the following review helpful. I did ordered 2 copies but I received one copy ...By DR.mohammed bahayanno problem at allthank you very much indeed0 of 0 people found the following review helpful. all good no problemsBy Roger Martinneeded for dental classes was a great help in my classes would recommend to all people in dental class yes

JONG'S COMMUNITY DENTAL HEALTH focuses on the role of the dental public health care professional in the socially conscious health field. Dental students, dental hygiene students, and dental assisting students need a practical

overview of the role of the dental professional in the health care community. The dentist's role has evolved to a much more active member of the health team, concerned with preventive and early diagnostic services. The book is organized to follow the objectives of dental hygiene courses in community dentistry. Summary and analysis of the latest manpower predictions on the 21st century  
The latest public health law  
The most recent updates in health education  
The most current information on managed care in dentistry  
New topics: technology and its impact on public health and community dentistry; globalism; diversity; new information on Hepatitis C
