**Diann L. Martin PhD RN, Kaplan : Kaplan Medical Assistant Exam Review** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaplan Medical Assistant Exam Review:

11 of 11 people found the following review helpful. Very HelpfulBy SC93I just took the RMA exam and scored a 94. This book was very helpful. There were several questions on my test that are in this books practice test. I know the questions are changed often on the official test, but I think this book has a lot of good information in it and will be very beneficial for anyone studying for the exam.10 of 10 people found the following review helpful. Excellent ResourceBy CustomerThis text is written in very easy to understand language and follows the format of the actual exam material. I recommend this for any MA student or Medical Assistant who is thinking of taking the CMA or RMA exam.0 of 0 people found the following review helpful. MA Exam reviewBy MikeI've not personally used this book, but I bought it for my wife as she's an MA... she loves it and told me to give it 5 stars :)

A complete guide to certification for the medical assistant, one of the fastest-growing occupations in the United States. Medical assisting is one of the fastest-growing professions in the United States and is showing one of the highest growth rates of any profession. Certification for medical assistants opens the door to opportunities and higher salaries, is required by many managed care organizations, and may become legally mandated in the near future. Medical assistants held 417,000 jobs in 2007 and the number continues to grow. Recertification is required every five years. Kaplan Medical Assistant Exam Review provides a complete guide to certification for the medical assistant. This comprehensive book features: Review of all tested subjects for the CMA and RMA exams Kaplan test-taking strategies Diagnostic test Full-length practice test (CMA) with complete answer explanations Career resources

About the Author Diann L. Martin, PhD, RN, is the former Dean of Nursing at Kaplan University. She received her BSN from Loyola University in Chicago in 1974. Both her MSN and PhD are from Rush University in Chicago. Her clinical practice includes 28 years in home health and hospice where she held a variety of clinical administrative positions. She has also been a health care consultant, author and lecturer.
