Kaplan : Kaplan Medical PANCE before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaplan Medical PANCE:

7 of 7 people found the following review helpful. WASTE OF TIME!By NYreviewerI just took the PANCE and realized that this book wasted a good two weeks worth of studying! The PANCE is not well represented in this book at all! Stick with AAPA, Lange and Davis'.0 of 0 people found the following review helpful. Five StarsBy fashprincessGOOD SOURCE OF REVIEW.0 of 0 people found the following review helpful. good, not greatBy TraumaGreat questions and explanations, I just wish the questions were organized into headings like medical, surgical, emergency, etc. For those times when I just want to study one subject.
