**Kaplan : Kaplan OAT 2015 Strategies, Practice, and Review with 2 Practice Tests: Book + Online (Kaplan Test Prep)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kaplan OAT 2015 Strategies, Practice, and Review with 2 Practice Tests: Book + Online (Kaplan Test Prep):

2 of 2 people found the following review helpful. I strongly recommend researching online for additional practice questions and having additional ...By HLThe biology and chemistry portions are thorough and there are not as many practice questions. I strongly recommend researching online for additional practice questions and having additional resources for organic chemistry and physics. It does however cover the main topics of everything that is to be expected on the test. Best wishes to you all taking your optometry admissions test. 1 of 1 people found the following review

helpful. ... the OAT and was able to score a very good score. The two practice tests provided in the ...By WdeboI used this book + a couple of sample test apps to practice for the OAT and was able to score a very good score. The two practice tests provided in the book are a very helpful guide to show you where you need to focus your studies as well as give you a good exam as to how the actual OAT is structured and will feel like.0 of 0 people found the following review helpful. For the OATmeal takersBy Snuggles FabricPurchased in preparation for the OAT. Decided not to pursue being an optometrist due to the job outlook in NYC, but the book was thick and chock full of review and practice materials. All-in-one package with 2 practice tests so no need to have to buy other subject review books. It was packaged in a large box and sufficiently filled with packing material. The book came in great condition thankfully.

With Kaplan's OAT 2015 Strategies, Practice, and Review, students can gain an advantage by earning a higher Optometry Admissions Test score guaranteed or their money back. Updated to match the newest OAT Blueprint, this book includes all of the content and strategies you need to get the OAT results you want. With this edition, you will get:2 full-length, online practice tests600+ practice questionsA guide to the current OAT Blueprint so you know exactly what to expect on Test DayKaplans proven strategies for Test Day successComprehensive review of all of the content covered on the OAT: Biology, General Chemistry, Organic Chemistry, Reading Comprehension, Physics, and Quantitative Reasoning16-page, tear-out, full-color study sheets for quick review on the goPractice questions for every subject with answers and explanationsKaplan also offers a wide variety of additional OAT preparation including online programs, books and software, classroom courses, and one-on-one tutoring.
