**Linda K. Thomason : Kels: The Kohlman Evaluation of Living Skills** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kels: The Kohlman Evaluation of Living Skills:

1 of 1 people found the following review helpful. outdatedBy jmfI hear they've updated this eval, but i bought this one in 2012 and it was the 1989 version. it's very outdated; i would not be comfortable or feel professional completing this assessment on patients today.1 of 1 people found the following review helpful. Five StarsBy Renee PedersenGreat resource0 of 1 people found the following review helpful. Five StarsBy Kennishagood condition

Determines ability to function in 17 basic living skills in the areas of self-care, safety and health, money management, transportation and telephone, and work and leisure. Suitable for many populations and in many settings such as nursing facilities, inpatient units, and outpatient settings that treat elderly people; in acute care units in hospitals; in

settings for people with brain injuries; and in training programs for adolescents.
