**Scott A. McNeily : Kettering National Seminars Respiratory Therapy Review Comprehensive Review Study Guide Certification and Written Registry Examinations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kettering National Seminars Respiratory Therapy Review Comprehensive Review Study Guide Certification and Written Registry Examinations:

0 of 0 people found the following review helpful. Good bookBy JOSEPH M ELLIOTTGreat book , helps you get a head start for your testing, shows some different ways of learning the material you need to pass the test

It contains 2 text books and 2 workbook for the total of 4 books. The two text book and one work book are new. the other workbook has answers with yellow marker on it.
