Shelly J Lane PhD OTR FAOTA, Anita C. Bundy ScD OTR FAOTA : Kids Can Be Kids: A Childhood Occupations Approach before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kids Can Be Kids: A Childhood Occupations Approach:

This groundbreaking text by two noted educators and practitioners, with contributions by specialists in their fields, presents a comprehensive, evidence-based approach to pediatric therapy. Their work reflects the focus of practice today facilitating the participation of children and their families in everyday activities in the content of the physical and cultural environments in which they live, go to school, and play. The authors describe the occupational roles of children in an ecocultural context and examine the influence of that context on the participation of a child with

physical, emotional, or cognitive limitations.
