1 of 1 people found the following review helpful. Honesty counts! By Jay Niu Thank you so much for your service. You are 1 out of 4 seller I purchased the Study and Procedure Package that actually came with both books like advertised. I really appreciate it the honesty. I would definitely recommend you to others. 1 of 1 people found the following review helpful. incomplete order By debra wullstein All I recieved was the procedure check list book I did not get the study guide which I needed the most. I ended up having to order the study guide separately very

disappointed. 0 of 0 people found the following review helpful. great job on shipping it fast and well packBy Ricky Merrittgreat job on shipping it fast and well pack. Great price and all books look new. I am very happy with this purchase.

This money saving package includes the 11th edition of Kinn's The Medical Assistant Study Guide and Procedure Checklist Manual. A variety of exercises test your content knowledge and critical thinking skills through Vocabulary Review, Short Answer, Fill in the Blank, and True/False questions. End-of-chapter Quizzes on Evolve help you assess your understanding of chapter content. Work Products enable you to provide documentation to your instructor and accrediting organizations to demonstrate a completed competency. Up-to-date content reflects current CAAHEP and ABHES standards on Patient Education, Documentation, and more. A guide to English-Spanish Terms helps you explain important concepts to a broader range of patients. Additional exercises including Skills Concepts, Word Puzzles, Case Studies, Workplace Applications, and Internet Activities make studying more engaging and reinforce your understanding. Expanded coverage of the Electronic Health Record and accompanying Practice Partner E.H.R. activities on Evolve keep you up to date with emerging tools in the field. Procedure Checklists Manual packaged with your study guide helps you track your performance of every procedure included in the textbook. Separately bound Study Guide and Procedure Checklist Manual enable you to carry just the individual resources you need with you to class or the lab.
