4 of 4 people found the following review helpful. Did not include Study GuideBy SurgeI got ripped off. This package deal did not come with the study guide as it claimed to be selling along with the manual.0 of 0 people found the following review helpful. ServiceBy alexandraBrand new. Service should be faster1 of 3 people found the following review helpful. goodBy coleI have not looked inside it yet but I imagine it is what I need because it for school. I got a really good deal on it I think. Will be looking into it here shortly

This money saving package includes the 12th edition of Kinn's The Medical Assistantnbsp;Study Guide and Procedure Checklist Manual.The most current content and competencies associated with CAAHEP and ABHES ensure that you are being taught according to the leading accreditation organizations.A variety of exercises test your knowledge and critical thinking skills with vocabulary review, multiple choice, fill in the blank, and true/false questions.Procedure Checklists Manual packaged with the study guide helps you track your performance of every procedure included in the textbook.Work documentation proves to your instructor and to accrediting organizations that you have completed each competency.Additional exercises enhance learning with skills and concepts, word puzzles, case studies, workplace applications, and Internet activities.Procedure checklists allow you to tear out each sheet and submit to your instructor for evaluation. Expanded coverage of the Electronic Medical Record allows you to learn more about the EMR and its use in the physician's office.Expanded coverage of Emergency Preparedness helps you meet CAAHEP and ABHES requirements.
