Rene Cailliet : Knee Pain and Disability (Pain Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knee Pain and Disability (Pain Series):

0 of 0 people found the following review helpful. Five Stars By a4jsee head and neck review 0 of 0 people found the following review helpful. as the price. By Ralapsend it to my teacher as a gift, arrived on time, nice package, really like the product very sharp well balanced, good heft enjoyed using it very much very recommend . delivery on time receive it next day . love it .

This popular series, by a distinguished professor of physical medicine, has proved helpful to physicians and therapists all over the world. Each book offers sound, common-sense guidance in diagnosing and treating painful and disabling conditions. In every book, the author's lucid text and instructional drawings provide a strong foundation in the basic and functional anatomy of the pain's region. He discusses various painful conditions and shows how each condition is related to the abnormal mechanism causing the pain or disability. Specific and practical suggestions for treatment help to correct or alter the abnormality discovered from the history and physical examination. Details on the individual books follow.
