Was a required reading for a class I am taking and really enjoy the content! 0 of 0 people found the following review helpful. Five Stars By *damarley a.* The best reference for nutrition 0 of 0 people found the following review helpful. Great used book, very good shape. Looks like previous owner never used it. Excellent price. By *Frida Luna* Looks like previous owner never used it. Excellent price. I ordered it as a textbook for my nutrition fellowship and I believe it was a very good deal comparing price and quality/shape.

Review of the Last Edition: "The exquisite organization, outstanding clarity of presentation, and extensive depth and

span of nutrition topics make this book one of the best ever written in the field." --Journal of Nutrition Education
"Long regarded ...as the definitive source on normal and clinical nutrition", (Journal of Parental and Enteral Nutrition, review of the last edition), this comprehensive reference provides the background readers need to understand basic nutrition, assess clients of varying ages and illnesses, plan dietary support that meets their unique needs, and promote good health and fitness.
