Health Professions, Health Professions Institute : Laboratory Pathology Words and Phrases (Instructor's Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Laboratory Pathology Words and Phrases (Instructor's Guide):

Contains 50,000 entries of anatomic and clinical pathology, lab medicine, hematology, and dermatopathology terms in easy A-to-Z format. Appendix includes 80+ pages of tables of arteries, bones, muscles, nerves, and veins in English with Latin equivalents, and hundreds of laboratory tests with their normal values. Look under pathogen for hundreds of bacteria, fungi, parasite, and virus names; check under test for over 1200 tests.
